Who
is
this
...?

CHAPTER 50:
AMBITION

I can't believe it, but Furio

It would never attack anyone for no reason

Uhh

yes

Has Twenty-Three not left?

Sampai

You have
to call
the dog
pound!

That
dog is
dangerous!

It's
far more
terrifying
than the
puppies
the other
day

Stay
away
from it,
Shima
said

What
is it?

Shima

You

We will make
it through this,
one way or
another...

Something
—
is wrong

That boy
is not
interested

It
couldn't be
—
what what
could it be?

Come and
Ad a way for
me to make
it up to you

Ooo
—
No
Thanks
—
Okay

Come on
we'll grab
a bite.
My treat

All this
Femmen
made
and
hungry!

That's it

It must be here

But down to
a money
manager, for
as noted, the
whole thing is
springing
from
the
ground.

The positive
interpretation
of this strategy
is a positive
to the future
for the Manager.

The man
has positive
attitudes
towards the
future.

The man
has positive
attitudes
towards the
future.

The man
has positive
attitudes
towards the
future.

The man has positive attitudes towards the future.

It is noted that the
man's hand in
the Manager's
Hand** are the
most valuable.
They would
be the
most valuable
to the
Manager.

** As a manager, the Manager's hand is the most valuable to the Manager. The Manager's hand is the most valuable to the Manager. The Manager's hand is the most valuable to the Manager.

It's
about
to
reveal
your
secret!

Oh?

A call
at 23

It seems that
the reducing
surface
the Master
experimented
with was in
fact...

For
a
long
time
...

In reality
Kiryu must
have been
aware of
this...

It's
more
complicated

I thought
the legend
had only
just begun
appearing!

And why he
let Kurosu
conduct
experiments
...

We
already
know the
abilities
and the
history
of Call
23!

Such as
how he is
able to
anticipate
their
movements!

That
would
explain
many
things

He's
still
shaking

It
really
shook
me

Hum-
an
On
That

And
these
horrible
brots?

I
frightened
me... The idea
that he might
get access to
higher levels of
consciousness
via it's power

Human
experiment-
ation.

Become
a
perfect
father.

2%
males
and the
other
2%...

After
exposure
to Cell 23
the rate of
mortality
is 97%.

It's
in order to
encourage
reproduction.

Always
one male
and one
female

Never
anything
else.
Make
no
mistake

It's so
simple
that it's
frightening

Do
you

Oh

Excal

Do you
understand
what Kiyasu
trying
to do?

In
fact,
it's
obvious

Oh
yes

Do you
think
we're
capable

There's
no way
we're
wrong

You're
certain?

I
analyzed
our file
we gathered
Compared
it with
everything
the Master
has said
and done

We
know
it!

Of
choosing
the
way

Please,
you must
stop my
father...

Keep
on ice
up our
sleeves

Victims

?

It's
like
playing
cards

But
how?

The
whole
thing

That which
is reborn a
thousand
times,

Isn't
that im-
possible?

What? You

The bridge
represents to
the good
and true to
the wicked.

Yes,
you said
it...
It's
unbelievable

End of chapter 50

He is
very
different
from 23!

CHAPTER 5:
REIGN OF THE GOD OF VIOLENCE

Then
dog it
eyes are...

So
soft

Then
two

And
then

Their
immaturity
may be
the very
thing that
costs it
ruin!

You're right

They are
trying to
save the
world...

But if you
don't want
to do that,
then you
can go...

I would
prefer
not to get
involved.

And
then
I will
take
your
place!

And
I will
not be
confronted

I have
to tell you,
there and
will be
tragedy

He is
manipulating
you!!

Nothing
wrong

I can
go to all
clans and
visit!

a star that

"The star

the Abyss."

Smoke rose
thick as
the smoke from
a gigantic
fireplace

The sun
darkened

The sun
and sky

And out of
the smoke
locusts came down
upon the earth

They were
told not to
harm the grass
of the earth.

or any
plant
or tree.

and were given
power like that
of scorpions of
the earth.

He asks for
forgiveness?

Shinazuki
Fumiko

You've

This

Do you
mean
what you
told me
the other
night?

If he
just
want
simply to
destroy
humanity

It could
have been
done by
eliminating
Shinobu
Furuta...

Yes

It's the
answer
to a riddle
that
haunted
me for a
long time

You mean

But why do you

It's not logical

And it's what's going to happen next that really interests Kirya?

That massacre is only a prelude

Exactly What is going to happen and

The
key
to
achieving
it.

It has started.

Night has fallen but there are no lights on.

Has it really started?

They're not just attacking us?

What's going to happen to us?

Alcohol is getting weaker.

And we're trapped here.

Our friends — They're all dead.

My father and mother.

What
are you
talking
about

So...
